PRODUCT DATA SHEET

Product Code: TICP

INTERNAL CLEANER PLUS

DESCRIPTION

TREBLEX Internal Cleaner Plus is a specially formulated blend of penetrants, lubricants and sludge dispersants designed for use in all petrol and diesel engines. Sludge and other engine deposits can cause internal wear and reduce engine performance.

BENEFITS

TREBLEX Internal Cleaner Plus provides the following benefits:

- Cleans all engine parts
- Removes harmful sludge and other contaminants
- Cleans valves and hydraulic valve lifters
- Frees piston rings
- Reduces fuel consumption
- Contains no harmful aromatic hydrocarbons
- Fortified with Extreme Pressure additives to ensure engine protection.

APPLICATIONS

- Ensure that crankcase oil is at correct level and oil filter is not blocked, and run vehicle until normal operating temperature is reached.
- Add Internal Cleaner Plus to the crankcase oil and idle the engine for 10 minutes.
- Stop engine and drain oil.
- Fit a new oil filter and add new oil as per vehicle manual requirements.

SAFETY : Not classified as hazardous. Please read SDS sheet before use. Keep out of reach of children.

Information contained herein is accurate at the time of writing this document. However specifications change from time to time, please ensure that the specifications meet your requirements.
