

WINDOW CLEANER

DESCRIPTION

TREBLEX Window Cleaner is a premium quality cleaner for glass, mirrors and virtually any hard surface. It's efficiency at high speed cleaning makes it a 'must-have' product for the home, office, hotels, restaurants and kitchens.

FEATURES

TREBLEX WINDOW CLEANER can be used neat or diluted depending upon the application of the product. TREBLEX WINDOW CLEANER is also very effective when used as part of your car's windscreen washer liquid.

- **Window Cleaner** has been specially designed with a non-streak formula for clean, polished surfaces first time – every time.
- **Window Cleaner** is non toxic and biodegradable.
- **Window Cleaner** is very economical to use.

APPLICATIONS

When used as directed TREBLEX WINDOW CLEANER can be used as follows:

- For cleaning and polishing windows and mirrors use the product neat.
- Spray it on using an atomiser and leave for just ten seconds – before wiping clean with a dry towel or cloth.
- For vinyls and stainless steel surfaces the product can be diluted with water if soilage is minor.
- Window Cleaner can also be added to your windshield wiper reservoir to keep your windscreen clean and clear. Dilute at 1:5 parts with water.

DIRECTIONS

- Spray as required onto area being cleaned.

SAFETY

Keep out of reach of children. Harmful if swallowed. Use with adequate ventilation. Read Material Safety Data Sheet before use.
