Solutions for industry

## PRODUCT DATA SHEET

Product Code: TCCNF

## NON-FLAMMABLE CONTACT CLEANER

### DESCRIPTION

TREBLEX Non Flammable Contact Cleaner is a technically superior, stable, inert high purity cleaning solvent suitable for use in all electrical and electronic applications. This product has **NO FLASH POINT**, is **NON FLAMMABLE**, and contains no lubricants.

### FEATURES

- 360° valve, use inverted if needed.
- Non Flammable, no flash point.
- Chemically stable, non corrosive and non conductive.
- Contains no methyl chloroform or CFC 113.
- Fast evaporating highly refined solvents, leaves no residue.
- Superior non staining cleaning solvent.
- Helps prevent contact failure by dissolving and flushing away contaminants.
- Instantly removes grease, oil, dirt, flux and other potential contaminants.
- Rapid and complete evaporation.

### APPLICATIONS

When used as directed TREBLEX Non Flammable Contact Cleaner can be used for the following applications:

- Any switch contacts
- Terminal blocks
- Air conditioning
- Connecters
- Motor controls and housings
- Chargers
- Refrigeration
- Fans
- Motor shafts.
- All milling applications
- All mining applications
- All off shore oil and gas operations
- Fork trucks
- All battery powered vehicles
- Circuit boards
- Alarms

### DIRECTIONS

- Shake can well before use.
- Apply evenly to surface requiring cleaning.
- Allow product to flush contaminants away.
- Use an abrasive to remove oxidation from contact surfaces.
- Burnishing is also an option.
- Caution must be used with regard to plastics, test on a small part first.

Size: 450g  
Cartons of 12

SAFETY : Classified as hazardous. Please read SDS sheet before use. Keep out of reach of children.
