PRODUCT DATA SHEET

Product Code: TGOS15

GRANULATED OIL SOAKER

DESCRIPTION

TREBLEX GRANULATED OIL SOAKER is a premium blended product containing specially granulated absorbent clay particles and a premium oil soaker for applications where a granulated product is desirable or more suitable. Recommended to use in spill kits.

APPLICATIONS

- Easier to apply than a liquid product.
- Overcomes dry spotting because it is visible when applied.
- Will not pollute the environment.
- Absorbs spillage readily.
- Perfect for work shop clean ups.

HOW TO USE

- Use Treblex Oil Soaker to cover visible oil spills or liquids.
- Allow time for the spillage to be absorbed.
- Dispose of as per local regulations.

Package sizes: 15KG

SAFETY : Not classified as hazardous. Please read SDS sheet before use. Keep out of reach of children.

Information contained herein is accurate at the time of writing this document. However specifications change from time to time, please ensure that the specifications meet your requirements.
