PRODUCT DATA SHEET

Product Code: TMSD

MINE SPEC DEGREASER

POWERFUL ENVIRONMENTALLY FRIENDLY HEAVY DUTY DEGREASER

DESCRIPTION

TREBLEX Mine Spec Degreaser is a heavy duty, safe, non-toxic, biodegradable multi-purpose quick-break liquid. Mine Spec Degreaser is strong enough for cleaning all types of heavy mining and transport equipment. Use manually or with a high pressure cleaner. Highly concentrated water base so you can custom dilute for specific needs. This makes it a cost effective way to remove oil, lubricants, grease and grime from most washable surfaces. Not classified as hazardous. Not classified as a dangerous good.

FEATURES

- Non-toxic
- Non-flammable.
- Non-caustic
- Quick-break.
- Biodegradable.
- Safe on painted surfaces.
- Hydro carbon free.
- Safer alternative to hazardous chemicals and solvents.
- Multi-purpose
- Highly concentrated, economical in use.
- Cleans all surfaces.

APPLICATIONS

- Removes grease, oil, dirt and grime from floors, walls, vehicles, locomotives, stationary engines and compressors.
- Used for cleaning heavy machinery, mining equipment, trucks, workshop and maintenance cleaning.
- May be applied by pressure cleaner, foam gun, mop, spray, manually or in a soak tank. May be diluted for brushing.

DIRECTIONS

Can be diluted or use from a spray bottle direct onto soiled area.

Dilution rates:

- Heavy Duty – 1:10 parts water.
- Medium Duty – 1:40 parts water.
- Light Duty – 1:100 parts water.

Package sizes: 5L, 20L, 200L, 1000L

SAFETY : Not classified as hazardous. Not classified as a dangerous good. Please read SDS sheet before use. Keep out of reach of children. Information contained herein is accurate at the time of writing this document. However specifications change from time to time, please ensure that the specifications meet your requirements.
