Solutions for industry

## PRODUCT DATA SHEET

Product Code: TSSW

## SUPER SOFT SEAL WAX

### DESCRIPTION

TREBLEX Super Seal (Soft Seal Wax) is a long term indoor/outdoor corrosion inhibitor providing superior heavy duty long life protection with superior lubrication qualities. Also has outstanding penetration and moisture repellent capabilities to protect all types of machined surfaces and equipment.

### FEATURES

- Extremely resistant to hot and cold water, sea water and salt spray.
- Provides long term corrosion protection to lengthen the useful life of equipment.
- Touch Dry in approx 1 hour; will provide protection for up to two years indoors.
- Superior to all W.D. type products.
- Effective on equipment subject to heat, chemicals and corrosive conditions.
- Easily removed with Treblex Brake and Parts Cleaner.

### APPLICATIONS

- Treblex Super Seal can be used to protect all types of equipment and assemblies.
- Will protect when shipping during exposure to salt spray.
- Suitable for use in Marine, Mining and all Industrial conditions.
- Leaves a long lasting superior protective and anti-corrosion film.
- Provides superior performance to all industrial lubrication applications.
- Super Seal can be used on motors, shafts, moulds, spindles, dies, valves and equipment exposed to the elements

### DIRECTIONS

- Shake can thoroughly before use.
- Spray from approx 20cm, evenly as required onto areas to be treated and protected.

Size: 300g  
Cartons of 12
